Metro Atlanta...

Georgia DOT Metro District Invites Businesses to Learn about the 2015 Transportation Funding Act and DBE Outreach

ATLANTA – The Georgia Department of Transportation’s Metro Atlanta District (District 7) invites contractors and small business owners to attend the 2015 Transportation Funding Act and Disadvantaged Business Enterprise outreach session.

Contractors and small business owners will learn about upcoming and current maintenance projects in Fulton, Dekalb, Cobb, Clayton, Rockdale, and Douglas counties.

The session will take place from **11 a.m., until 1 p.m., on Wednesday, February 3 at the District 7 Office, 5025 New Peachtree Road Chamblee, Georgia 30341.**

“Contractors and small business owners who attend this session will learn more about our procurement process and the type of maintenance and construction projects planned for District 7,” said Kathy Zahul, Metro District Engineer. “The District will need help from contractors to deliver much needed projects throughout Metro Atlanta. Motorists who travel in our District can expect major improvements to the interstates and state routes because of the available funds from the Transportation Funding Act of 2015.”

Registration is available online:
